#1...YOUR FONDEST MEMORIES FROM WALTER JOHNSON H.S. YEARS:

Band exchanges with Needham,MA and Haverford,PA high schools.
Drivers Ed, the smoking area, my 51 Dodge, working on the weekends at Garrett Park Esso, Hot Shoppes, Country Club Malt Liquor, Dickerson Quarry and 75 and 80 Drag strip in Urbana.

#2...WHAT HAVE YOU BEEN DOING OVER THE LAST 50 YEARS?

Attended college at Clarion State and UMD before and after a 4 year hitch in the USAF (67-71). Married first to Ana Ward (Fred's WJ 64) sister. Daughter Sara Diana born 1969 in Okinawa. Three grandchildren Anthony (88), Jesse (94) and Willow (99). Divorced in 1973. Remarried in 73 to Carol Jansen (Whitman 65). Still together for 42 years in June.

We live on 3 plus wooded acres outside of Reynoldsville, PA with our 4 cats.

We have had 4 different businesses during a twenty year period. I retired in 08 and then went back to work in 2011. My new career is driving an 18 wheeler. I like it. Its a bit of a challenge in the big cities, especially with tight docking space.

My main hobby for the last 45 years is motorcycling, on and off road. I have three now, but I've had as many as 11 at a time. I've ridden in all but a couple of states. In 2012 I rode from home to Alaska, including the Dalton Highway to Prudhoe Bay (with a side trip to Yellowknife NWT) and back in 26 days 11k miles.

I obtained my Private Pilots License in 05 and my Instrument rating a couple years later. I am a part owner of a Piper Archer. My other hobbies are bicycling, kayaking and xcounrty skiing. My wife and I are currently looking after our Mothers and my older sister (Erica WJ 63) that we moved up here from MD to a local nursing home. it definitely keeps us busy. It's great being able to see them regularly though.
