

## What are high school reunions all about?

- ▷ Feeling 16 again? ▷ Reliving old memories? ▷ Reconnecting with old friends?
- ▷ Laughing, once again, at the adventures you shared together? ▷ Rebuilding and strengthening connections you once had? ▷ Making new friends from past acquaintances?
- ▷ Having fun with the people who helped create “your story?” ▷ Learning new things about old friends? ▷ Sharing with and helping others who may be in pain? ▷ Building relationships to last for the rest of your life? ▷ Adding some excitement to your life?
- ▷ Feeling nostalgic and sentimental? ▷ Learning where old friends might be today?
- ▷ Finding the love of your life, finally? (When, in fact, you were both in the same homeroom since 9<sup>th</sup> grade!) ▷ **Last, but not least: MAKING SURE YOU HAVE JUST AS MUCH FUN AS THE REUNION COMMITTEE KNOWS THEY WILL HAVE\*?**

\*We are so excited about this event, because we know what’s gone into it to make it happen. All the work and time spent to find you, communicate with you, entertain you (website, flyers, Facebook, and reunion party), decorate for you, greet you, feed you and host you. With no idea what we were getting into...the incredibly heartwarming, sad, surprising and funny stories along the way have made it even more rewarding to take this on for our classmates. **We thank you for the privilege.** You can be assured that no one will enjoy the reunion as much as those of us who have given our heart, soul, time, talents and exhausted and depleted energy to make it happen. We do know, however, that if you have even half the fun we’re going to have, it will be a huge success. Sign up now. Don’t miss this once-in-a-life time opportunity to step back in time and step up to NOW ... with us ... with old friends ... with old strangers. We promise—and we know firsthand--they won’t stay strangers for long, and we’ll all feel young again when we get into the spirit of this fantastic reunion celebration!
