

WHAT TO WEAR

Now that many of you have sent in your Registration Forms and Checks...AND, WE THANK YOU IMMENSELY! ...we are getting “what-to-wear” questions. That should be the least of your worries...just make sure you get here. It’s YOU we want to see and it’s US we want to celebrate, not our REUNION DUDS. But, we offer some help below – some random thoughts from your Classmates: *

- #1 "I never get a chance to dress up anymore...I want to look nice."
- #2 "I'm retired....I dress up for nothing...no one...and never!"
- #3 "Great opportunity to buy a new dress."
- #4 "I'm still suiting up for work everyday...I'm going casual!"
- #5 "Just one more time....I really want to wear those sexy, spiked heels."
- #6 "Great opportunity to wear that expensive dress I bought for my 4th wedding."
- #7 "All I do is garden now...I'll have to wash my overalls."
- #8 "I'll just let my granddaughter select my outfit...she won't let me embarrass myself."
- #9 "I hate packing—wonder if I can wear the same outfit all weekend?"
- #10 "Kaki's and a good golf shirt – *that's as far as I go!*"
- #11 "My legs are the only good parts left—skirt or dress, for sure."
- #12 "A casual dinner jacket works well to hide the emerging beer belly."
- #13 "Why keep this tan to myself...casual dress with bit of exposure?"
- #14 "I look 10 years younger in those tight, designer jeans."
- #15 "**BLACK.** No brainer. Why ask for trouble?"

** We made it all up, but we know what you're thinking!*

WEAR WHAT'S COMFORTABLE – AND THANK YOU TO THOSE WHO HAVE ALREADY REGISTERED!
